RE: Civil Action 1:01-CV-1015 ✓

No. 1:04-2630

Dear Honorable Judge Yvette Kane,

Good Day! I am writing you this letter and is totally nervous. I strongly feel, that I am a target here at SCI-Rockview and have been harassed by prison officials, for bringing several law suit, against several Commonwealth defendants.

On March 29, 2005, the Magistrate Judge issued or granted me 45 days, to answer Defendants Motion To Dismiss.

On April 25, 2005, about 6:30 p.m., I went to the law library, to continue my research, and my cell was ransack and all my legal paper search, outside my present. The officials here, alleged, that this was a investigative search. My question was why did they conducted this search outside my present and wanted until I went to the law library?

I am still trying to conduct researches and to answer the Defendants Motion To Dismiss; but I am having difficulty conducting research and answering these motions; Furthermore, I strongly feel, that, I had been and state officials are trying to intimidate a Federal witness, for exercising his constitutional rights.

I need your help in this matter. Writing this letter, I am not sure if this letter will get to you, but if this do, please conduct a thorough investigation, into this matter. Thank you for your kindness and graciously await your response. God Bless you.

P.S. This Institution are know for tampering with inmates illegal mail.
